ENDOMETRIOSIS

One of the main causes of infertility among woman. Until today the real cause of endometriosis is not known.

We offer medical and surgical treatment of endometriosis.

PELVIC PAIN

Localized in the lower part of abdomen and pelvis. It might affect the urinary system, the reproductive system or the musculoskeletal system. We offer treatment for acute or chronic pain.

FEMILIFT LASER TREATMENT

Alma FemiLift is a state-of-the-art, minimally-invasive outpatient solution that provides optimal care for various feminine concerns including Vaginal Tightening, Vaginal Dryness and Recurrent Infections.

ULTHERAPY TREATMENT

We now offer an Ultherapy, an effective non-invasive procedure to tighten the skin on face, lips, eyes, breasts, belly. Ultherapy is the only non-invasive procedure FDA-cleared to lift skin on the neck, under the chin and on the eyebrow. Ultherapy treatment is using your body's natural response, boosts collagen production and regenerates damaged tissues and rejuvenates your skin. Ultherapy is a non-invasive procedure and only takes 30-60 minutes. It does not use synthetic chemicals (like those used in Botox)
