#### *How to Avail Trade Finance Services from Us*

**Step 1:** The client submits their trade finance requirements to us by providing their proforma invoice or trade contract.

**Step 2:** We will perform a careful study on their trade deal & let them know whether their request is approved or not.

**Step 3:** Once it is approved, we will sign a service agreement with the client. Also, ask them to pay the admin charges to initiate work on their transaction.

**Step 4:** After signing the agreement & receiving the admin charges, we will block our bank limit and we will send the draft of the required instrument to the client for their approval.

**Step 5:** Along with the request of draft approval, we will also inform them the issuance fee charges & the other needed documents.

**Step 6:** Upon receipt of instrument draft approval, issuance fee & requested documents, we will instruct our bank to issue the requested instrument on behalf of the client.
